

REMARKS/ARGUMENTS

This application has been allowed, but the issue fee, as yet, has not been paid. In response to the Notice of Drawing Inconsistency, the brief description of Figure 5 on page 8 of the specification has been revised to refer to Fig. 5, subparts 5A and 5B. Support for this correction is found in Fig. 5 which contains only parts A and B and on page 42, lines 7 and 10, which identify these subparts. No new matter has been introduced. In view of the nature of the changes, no new search is required. Entry of this Amendment prior to issuance of this allowed application as a patent is now respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, L.L.P.
Norman F. Oblon

A handwritten signature in black ink, appearing to read "Thomas M. Cunningham", is written over a horizontal line.
